

KI-LIFE SUSTAINABLE AWARD 2022 REGULATION

1st EDITION

1. Requirements

The Award is addressed to Italian and International companies of the following sectors: Furniture, Lighting, Table and Kitchen Accessories, Domestic Appliances and high tech, Home Fabrics, Fragrance/Candles/Soaps, Bathroom and Home Cleaning Products, Kids, Giftware, Ceremony-Anniversaries, Outdoor, Pet Furniture and Accessories, Technology for Retailer, Packaging, Ribbons and Paper, Promotional Items, Festivity.

The Award is reserved to those companies that have created and launched products or projects in the field of Sustainable Development, Respect for the Environment and Social Responsibility. In particular:

- Products related to environmental sustainability
- Products related to the traditions of the territory
- Projects that aim at enhancing communities, associations, the potential of collaborators and that materialize in the creation of products
- Projects that return part of the profits to the territory, to social and environmental causes and that materialize in the creation of products
- Processes that reduce the environmental impact even in the production of traditional products

Companies subject to insolvency procedures (composition with creditors, bankruptcy, etc.) or that have been declared bankrupt in the last 5 years or that are in a state of voluntary liquidation cannot apply to the Award.

Likewise, companies subjected to precautionary measures or sanctions by the Judicial Authority for serious violations of the law (including Legislative Decree 159/2011) cannot apply to the Award.

2. How to participate

Applications must be received **by 12 PM on 10th December 2021**. Data and the requested material must be sent by filling in the appropriate form on the website dedicated to the event (www.KiLifeSustainableAward.it).

- Application and participation are free
- Incomplete applications will not be taken into consideration
- The participation to the Award implies the unconditional acceptance of these regulations
- The submitted products will be exhibited in the Ki-Life stands in the different pavilions of the Fair at Homi in January 2022. The selected companies are asked to send the product to Ki-Life within January 15th, 2022 (data and place will be confirmed at a later time) to be exhibited in the stand dedicated to the Award. More details will be provided after the application.

3. The Jury

The Jury is composed of entrepreneurs, managers, professionals and experts in retail and innovation in the field of sustainability. The complete list is available in the section 'Jury' of the Award website (www.kilifesustainableaward.it).

The Jury will evaluate the eligibility of the product to the application.

The Jury will analyze the submitted products exhibited in the pavilion and then will meet to decide the winners.

4. Rewards and benefits

The awards will take place during a dedicated event organized at Homi Fair 2022.

The winners will be given a personalized plate, there are no cash prizes or valuables.

The winners will enjoy the following benefits:

- wide visibility on the different communication channels: media partner, organizers' websites, mailing, social channels and during the several events by Kiki Lab
- the submitted products will be exhibited in the Ki-Life stands in the different pavilions of the Fair at Homi in January 2022

- publication of an article dedicated to the Award in the Casa Stile magazine, giving relevance and visibility to the winners of the KI-LIFE Sustainable Award

5. Trademark

KI-LIFE Sustainable Award is a registered trademark managed by Kiki Lab and can be used only with the written provision of Kiki Lab. All the collected data will be treated in compliance with the current legislation and the law on privacy.
